

Sacred Heart Parent Council Need Your Help!

As a parent council we have decided that one of our main priorities this year will be to raise enough money to ensure that all children in primary 2-7 can access swimming lessons at the fantastic new leisure facility, The Quay Zone. As we live in a coastal town, swimming is even more so an essential lifesaving skill and we feel that all children should have access to swimming lessons. The school has a small budget for this but not enough to ensure that all children receive continuous lessons throughout the year, therefore a lot of the money raised this year at our different fundraising events will be used to support this exciting opportunity.

We are therefore looking for any mums, dads, grans, grandpas, friends etc. who may have hidden hobbies or talents and would like to donate a raffle prize for our stall at our Christmas Fayre. Donating a raffle prize can also be a fantastic way to promote your handmade gifts etc. We will be happy to leave contact details of those donating prizes in case people would like to purchase something from you in the future. Any donations would be very much appreciated. You can hand any donations directly into the school or contact Careen Rennie or Sarah Mensdorf through Facebook or through the Sacred Heart Parent Council Facebook page. We would also be more than happy to collect anything from you.

Thanks in advance for your support 😊
