If phoning or calling ask for Mrs McCallum

As you may be aware, our school participates in the “Rag Bag school recycling” initiative. It raises awareness of the need to recycle, increases the amount of textiles being recycled which in turn helps the environment.

The only items that can be collected are:

**Wearable clothing, all fashions – all ages
Paired shoes, Handbags and belts**

If you have any of the above items for recycling then please put the clean, dry items into the Rag Bag provided (or another bin liner) and bring into school by **9a.m. on Tuesday 10th October.**

The school receives a sum of money depending on the weight of the bags. This money will be given to our Eco Committee for their on-going work throughout the session. Please note that only the above items can be placed in the rag bag container in the front school playground. We will keep you informed of all monies raised.

Yours sincerely

Mark Ingram
