Dear Parent/Carer

Dance Event for Primary 6 and 7 Pupils

Queen Margaret Academy is hosting a Dance Event for Primary 6 & 7 pupils on Thursday, 23rd November (4.00pm – 6.30pm). This event is to promote healthy living through dance and let everyone experience new styles and different classes.

The event will consist of a short introduction followed by a performance from current talented dancers at QMA. The pupils will be split into four groups and rotate around each workshop. There are a number of different dance instructors from the local area coming in to deliver each workshop which will let pupils try new styles of dance including: musical theatre, jazz, commercial and latin.

Pupils can bring their own snacks and sandwiches if they wish. However, we will provide them with healthy snacks including fruit and water. Transport from your school to QMA will be provided; the bus will leave Sacred Heart Primary at 3.00pm and return about 7.10pm.

Can you please return the slip by Wednesday 22nd November.

Yours faithfully

Neve Cassidy and Sophie Alexander
QMA Dance Leaders
