If phoning or calling ask for

Dear Parent/carers

I am delighted to let you know that we have secured more funding for the ACE Outdoor Adventure days. For the past seven years pupils across all stages of the school have benefited from an enhanced outdoor learning programme, delivered by ACE (Adventure Centre for Education)

Primary 6 pupils will once again participate in a number of activities starting this month and ending in the summer term. Due to the range of activities and the adventurous nature of them, ACE have supplied us with a breakdown of what is involved with each one and exactly what pupils need to bring. Please see the attached information and refer to it before your child is due to participate. Can you please return the consent/medical forms by Monday 6th November so that I can pass on all necessary details to ACE in good time. The first Activity is Abseiling and Archery on Tuesday 14th November. Please see the following dates of all activities:

Tuesday 14th November 2017 - Abseiling & Archery
Tuesday 13th March 2018 - Cycling & Bushcraft
Tuesday 15th May 2018 - Coasteering
Tuesday 12th June 2018 - Stand Up Paddle Boarding

ACE will transport the pupils in their mini-bus and one teacher will transport four pupils in their car. All teachers who are involved in transporting pupils anywhere are covered with business insurance. If your child is entitled to a free school meal and you would like them to have a school packed lunch can you please contact the school office by Monday 6th November.

Once again, I am delighted the pupils are able to take part in this excellent programme; I know they will have a fabulous time on each day out. If you have any questions, please contact myself at the school.

Yours sincerely

Rachael McCallum

Principal Teacher
